Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.

STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

DANNIE K. MCCARTHY, R.N.,

ORDER IMPOSING SUSPENSION

Respondent

On July 8, 1994, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a registered nurse in Wisconsin was suspended for a period of not less than two years. The order provided that after six months, respondent would be permitted to petition for a stay of the suspension upon a showing of successful continuing treatment of his chemical dependence.

By letter dated June 30, 1995, respondent petitioned for a stay. The Board of Nursing considered the matter at its meeting of July 7, 1995, and granted the stay by its Order dated July 17, 1995. A second stay of suspension was granted by the board by its order dated November 7, 1995. On February 16, 1996, respondent petitioned for a third stay. Thereafter, on or about February 29, 1996, the board received notification from Vincent W. Bergstrom, CRNA, respondent's work supervisor at De Paul Hospital, that respondent had relapsed, and was to be suspended from work for 90 days. Later in the day of February 29, 1996, respondent phoned the board's agent, Michelle Neverman, and notified her that he had in fact relapsed. By copy of an internal De Paul Hospital memorandum, Mr. Bergstrom confirmed that respondent had contacted Mr. Bergstrom by telephone on February 26, 1996, and notified him that he had relapsed on cocaine. The memorandum also confirmed that the Milwaukee Police department was investigating respondent in connection with the theft of a computer from the hospital and the alleged attempt by respondent to sell the computer in a Milwaukee tavern. The board denied respondent's request for continuation of the stay by its Order dated March 14, 1996.

By letter dated June 17, 1996, Mr. McCarthy petitioned for renewal of the stay of suspension. He appeared before the board in support of the petition, and the board learned at that time that Mr. McCarthy had suffered another relapse in June. The board considered the petition at its July, 1996, meeting, and denied the petition by its Order dated July 20, 1996.

By letter dated December 9, 1996, Mr. McCarthy again petitioned for reinstatement of his license. The board considered the request at its meeting of January 10, 1997, and again denied the petition by its Order dated January 28, 1997.

Mr. McCarthy appeared before the board at its meeting of September 1, 2000, and petitioned for a stay of the suspension of his license. The board considered the petition on that date, and granted the stay by its Order dated September 8, 2000.

On April 6, 2001, the board considered evidence that subsequent to the stay granted in September, 2000, Mr. McCarthy has never complied with any of the terms and conditions of his limited license. Accordingly it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the stay of the suspension of the license of Dannie K. McCarthy is terminated, and his license is hereby suspended.

Dated this 12th day of April, 2001.
